## Greetings!

Happy New Year! 2015 was an amazing year but I'm looking forward to an even more exciting 2016 with lessons, clinics and instructor courses planned for Georgia, Maryland, New Jersey, Canada, California, Minnesota/Wisconsin, Ohio, Illinois, Texas and of course Florida. You are also cordially invited to join me for exciting hunting trips to Argentina in May and Scotland in August.

For my Florida students, and those traveling down to Florida for the Krieghoff Classic and Gator Cup, I have opened up mid-week dates just before both events to better accommodate tune-up lessons prior to both weekend events.

With this month's tip, I hope to keep you on a straight path in your quest for a fitted shotgun. Knowledge is power. Sometimes, being aware of the most common pitfalls can help you avoid them. Enjoy!

## This Month's Shooting Tip:

### 3 Tips to getting your gun to fit?

Every week, I sadly encounter another shooter who has ventured off in the wrong direction in pursuit of a well-fitting shotgun. When it comes to avoiding some of the most common pitfalls, knowledge is power.

In this issue, I will equip you with three tips that will straighten your path to a well-fitting shotgun. Read ["Detours on the Path to Gun Fit"](#).
