"Tips & Tales of the Wing & Clay Variety"

[Website](#) [Don Currie](#) [Lessons](#) [Gun Fitting](#) [Locations](#) [Contact](#) * [STORE](#) *

Greetings!

The weather is really heating up here in the South! Don will continue traveling and teaching extensively over the next three months: Canada, Wisconsin, New Jersey and of course South Florida Shooting Club are all on his agenda. Take a look at the calendar on the [home page](#) of our website for locations near you.

The subject of this month's shooting tip is the Chandelle or Arcing Target. Enjoy!

"The Chandelle or Arcing Target"

If you are having trouble breaking chandelle targets, or arcing targets, it is likely because the target is changing speed and direction throughout its flightpath. By following four simple rules, you find yourself breaking these targets more consistently.
